Copy of letter from M. Karamatullah, Esq., I.C.S., D. Dis. No. 563-42 date 13th January, 1943 to the the Secretary to Govt. Public Works Department through the Board of Revenue.

Subject: FERRY S: South Kanara District - Mangalore Taluk - Bappnad and Hejradi villages - Kodi ferry - Extension - Limits - Proposals submitted.

The Panchayat Board, Mulki proposes to maintain a public ferry at Kottota in Bappnad village, Mangalore Taluk to connect Bappnad and Hejradi villages. Enquiry shows that a public ferry at the place is quite essential for the benefit of the public, as some private boats are plying at the place for the transportation of persons across the ferry and that much inconvenience is caused to the public by the private management of the ferry. It is found that this locality is within a distance of about 1000 yards from the Kodi Ferry which was declared as a public ferry in Government notification dated 10.1.1879 published at page 49 of the Fort St. George Gazette dated 21.1.1879. This ferry is now maintained by the Panchayat Board, Mulki, under G.O. Nos. 2084 dated 30.9.1940. I therefore propose to extend the south limit of the ferry so as to include the site of the proposed ferry and submit revised draft notification with a sketch for favour of sanction. The ferry contractor will have to maintain separate boats at these two places. As the ferry is already an existing one, the publication of the scale of tolls to be levied is not required.

The resolution of the Panchayat Board, Mulki in the matter is enclosed.
